

What folks are saying about *The Whaler's Daughter*...

"The Whaler's Daughter, ticks all the boxes: Twelve-year-old Savannah Dawson's efforts to earn a place on her father's whaling boat at the turn of the twentieth century in Australia will inspire twenty-first-century readers to hold fast in their quest to attain their dreams. A rollicking good story!"

– Karen Dionne, award-winning bestselling author of *The Wicked Sister*

"Readers are quickly drawn into this episodic chronicle of community, with its unique characters and histories, including the Aboriginal people among whom Savannah lives."

– Booklist, Editors Recommended

"The Whaler's Daughter is an engaging story that incorporates the Aboriginal culture, societal rules like gender roles, and a conservation message intricately describing the characters, bringing out their unique attributes and personalities."

– OnlineBookClub, four-star review

"Savannah is a well-developed, three-dimensional character who starts off only caring about her own goals but grows through her friendships."

– Kirkus

"Along with themes of protecting the environment, caring for and working with animals, The Whaler's Daughter also raises themes around the roles of women."

– MADISONSLIBRARY, Four-Heart Review
